- A. The below listed FAR and DFARS clauses are incorporated by reference and made part of this Purchase Order with the same force and effect as though set forth in full test.
- B. Unless the text in these clauses clearly reserves rights in the Government only or as otherwise noted, the terms “Contractor” means “Seller”, “Contracting Officer” means “Buyer,” “Contract” means this Purchase Order and “Government” means “Buyer or the Government.” However, the words “Government” and “Contracting Officer” do not change when a right, act, authorization or obligation can be granted or performed only by the Government or the Prime Contract contracting officer or duly authorized representative.
- C. Unless a clause or parenthetical specifies or references a monetary threshold, thresholds for Truthful Cost and Pricing Data (referred to as “TCPD,” and formerly known as TINA), the Simplified Acquisition Threshold (SAT), and the Micro Purchase Threshold (MPT) are those found in the definitions at FAR 2.101. Applicable thresholds are those in effect in the FAR on the date of Purchase Order award unless otherwise indicated.
- D. Whenever the FAR or DFARS clauses include a requirement for the resolution of disputes between the Parties in accordance with the “Dispute clause”, the dispute shall be disposed of in accordance with the provision entitled “Disputes” in this Purchase Order.
